Instructions:

- 1) Print this page. Make sure that your printer is set at 100%
- 2) Use a ruler to check to make sure that the measurements are accurate.
- 3) To measure: Find a ring that is currently being worn by you/recipient. Place the ring on top of each circle. The circle should fit perfectly inside the ring.
- 4) Double check by cutting out and wrapping the ring tool at the bottom of this page. Again make sure that the tool is to scale using a ruler.
